# PARISH MAGAZINE

The grass withers, the flower  
fades; but the word of our God will  
stand for ever. Isaiah 40:8

£1 May 2025

Writing this piece for the May magazine, when spring will have truly sprung, it seemed weird to me that the verse "The grass withers, the flower fades; but the word of our God will stand for ever" [Isaiah 40:8] should stick in my mind.

This verse first came into my consciousness some forty years ago, when the building of the parish I was a member of was about to be demolished; it was riddled with dry rot. I had not long turned twenty and was very new in my faith. The people of that parish were joining with the people of two other parishes, whose buildings were also beyond viable repair, to create something new. Sound familiar?

Forty years on and the people [the church], with whom I began my journey with Jesus, is still there worshipping, praying and serving. Providing for their communities and being the light of Christ in their ever changing area. The word of our God clearly demonstrated to be of timeless worth.

It can be hard to accept, but sometimes the things of old that we cherish so much and were so beautiful in their time need to change to bring new life. Flowers, so colourful when they first bloom, fade and die so that the seeds of the new plant can find space to bring new beauty in more places.

The next verse [Isaiah 40:9] goes on to say, "lift up your voice with strength, O Jerusalem, herald of good tidings, lift it up, do not fear".

The value each of us brings to our respective communities is far more than just ourselves, for we are each part of something greater. We are the family of God, sisters and brothers of Jesus, and we can shine his light out into the world without fear.

## Highfield Friendship Group

We approach our first outing (as against a meal out), this week as I write. I have booked Afternoon Tea on board The Floating Grace in Liverpool for our party. This sets off from Albert Dock and explores Liverpool docks for two hours before returning to base. We are all very much looking forward to the trip. Fortunately for our less sprightly members, which includes myself, our coach will drop us off at the side of the boat and pick us up ditto.

Whilst there is of course quite a lot to see in the immediate area of the Albert Dock, not least being Lewis' s and Liverpool One across the road, we have decided to avoid as much walking as possible by arranging our return trip for 3.00pm. For the record our coach on this occasion is being paid for by The Brighter Borough Fund, through our local Councilor' s, to whom we are duly grateful. The Boat trip and Afternoon Tea is paid out of our members weekly subs. So, whilst it is their money, it actually feels like a free 'do' .

We continue to meet on Wednesdays at 2.00 pm in the Parish Hall, or as I should now say, The Community Club. However, old habits die hard. We still have an average of 18 -20 members weekly and enjoy chats and the occasional Quiz from Brian. He says that they are so easy that he is sometimes embarrassed to ask the questions. His definition of easy however, does not necessarily align with mine. We continue to seek additions to our membership of course. Why not try it? If you don' t like it don' t pay us a second visit. It won' t cost you anything to try it after all.

We continue to seek further places of interest to travel to, which does not involve excessive walking. I think another visit to Knowsley Safari Park is very likely to be on the agenda in the coming months.

Finally, one unusual request recently came my way. I received a 'phone call from a friendly lady at St. James' Church, asking if I would speak to their Ladies Group meeting in May. She said that she always read the articles I placed in the Church Magazine and felt that I could be an interesting Speaker. Well I would truly hate to disappoint so I said yes. During my working career it was quite common for me to address large audiences, but that was work! It is not the speaking to audiences which phases me, I' m used to that. But being 'interesting' is a whole new ball game to me.

Well we will see, but I don' t expect a return invitation!

## St Matthew' s Guides

We finished off some of our meetings for this term concentrating on Mother' s Day activities. The girls decorated small hoops for a Mother' s Day gift and the following week Mrs Peacock from Blossoms Room flowers visited and made a floral gift for the girls to give to Mums. They were beautiful and really appreciated by all the Mums. A big thank you to Mrs Peacock for her time with the girls.

Our last evening was a games night and due to the lighter nights, we started with a game of rounders outside on the field.

## St Matthew' s Boys Brigade

We recently welcomed five-year-old Harvey Nolan to our **Anchor Boys** section. He's settled in well with the officer's and boys. If anyone has a boy of similar age, please get in touch. Harvey would like some 'playmates' on Wednesday evenings, 5.30pm to 6.45pm. Places are also available for boys for the other sections. If you are interested, please phone me on **07759564128** or **01942 218465**.

**Junior Section** boys are learning spiritual and parables and enjoying games with the help of Mrs. Brown. **Company Section** boys have been involved in photography and cooking. The boys are getting better with their cooking and a big thankyou to Matthew and Christopher's mother for supplying the food, especially at short notice! lol. As part of their community badge, the boys have also been helping in the graveyard on Saturday morning. They especially enjoyed the 'bacon butties' at the end!

Marian and myself helped at the Spring Fayre on Saturday 29th March. It was good to talk to officers from Rainbow's, Brownie's and Guides, and members of the parish and general public. Hopefully the church will start to be used more from now on.

By the time the Parish magazine is published, Easter will have come and gone. We hope you all had a good time and received plenty of Easter eggs from the Easter Bunny!

## St. Matthew' s Rainbows

After February half term, we started back celebrating Thinking Day with Guides, Brownies and Rainbows from across our Division, Wigan West, in our Community Hall. It was hectic but very enjoyable remembering our founders Robert and Olave Baden Powell and thinking about girls in Guiding all over the world.

On 3 March we resumed our activities by learning something about Saint David, patron Saint of Wales. The Rainbows tried on some items of Welsh costume worn by girls on St. David' s Day (March 1st), learned a few words in Welsh and coloured in some St. David' s Day bookmarks. As it was Shrove Tuesday the following day, we finished the evening enjoying pancakes.

Badge work involved the girls thinking back to their first meeting at Rainbows and the emotions they may have felt. They thought about ways they could welcome new girls and make them feel at ease by drawing around their foot, cutting out the drawing and decorating it with words and pictures. These footprints will be used to make a welcome path for the next girl who would like to join. With the approach of Mothering Sunday, the Rainbows cut out and decorated hearts with gems using air dry clay. Unfortunately, some fell off when the clay dried but nevertheless, I hope you were pleased with their effort!!

Our last meeting was Amara' s Pot of Gold pyjama party where we played games, and the Rainbows took home cute Easter Bunny pots along with their Easter eggs. We hope they enjoyed the surprise concealed in their pot! Georgia has been unable to attend Rainbows this last half term, but the Rainbows will be delighted to see her return after the Easter break on Monday 28 April. Gillian & Lesley

## 14<sup>th</sup> Wigan Town Brownies

We have been busy over the last few weeks, learning new crafting skills to stitch baskets for Mothering Sunday. Then we did decoupage to decorate bunnies and beds to put them in, as well as egg themed games before the Easter break.

On Palm Sunday Grace and Betsie helped to give out the Palm crosses and Amelia read part of the lesson; it was lovely to have them with us.

This month we were overwhelmed to receive a very generous donation, along with the other uniformed organizations, from Mrs Lavin in memory of her husband Bernard. It was lovely of her to think of us, and we will make sure we use it wisely for the benefit of the girls.

# Highfield Cricket Club

At the time of writing, the senior and junior teams are just days away from their first games of the season, with the ground looking in great condition due to the hard work of the grounds team throughout the winter. But unexpectedly we have a late change in the first team captaincy. Ryan Hargreaves is the new elected captain of Highfield first team for the imminent season, succeeding Mike Farrell who has decided to step down. Ryan has played at Highfield from being in our under 9s through all the age groups and has been an established first team player since his teenage years.

Ryan said: "I'm really proud to be given the opportunity to be club captain for this season. It's of course sad to see Mike deciding not to continue this year but everyone totally understands his reasoning, an absolute legend of the club and I'm sure everyone wishes him well. Cannot wait to get going with the lads this season and I am sure we can make it a successful and exciting one...see you all down at Billinge Road soon" Mike Farrell said: "After playing for Highfield since the age of eight, I have decided to stand down as captain and spend more time with my family this summer. I feel the time is right. I will always support the club and wish Ryan all the success for the upcoming season."

With Mike Farrell's decision to stand down from the captaincy and take a break from cricket, possibly permanently, it's a

good time to reflect on Mike's impact on Highfield CC.

His remarkable numbers as a batsman, achievements as a captain and fielding prowess with or without the gloves, make him an all-time great player for the club. Mike has made over 500 appearances for the club scoring over 14,000 runs for Highfield, mostly in the first team at the top end of the order. Alongside over 300 catches and around 50 stumpings for the club, it might surprise some that he has also claimed 65 wickets with a best match haul of 6 for 46!! Mike started playing for Highfield's junior teams around 1990 and was the overall Junior Player of the season in 1999 aged 17. He had already made his Highfield senior debut at the age of just 12 for the 3rd team in 1994, and was in the first team within 3 years, then captain by 2007. Supported by the club, he also played out in Australia in the winter of 2005.

Amongst his 15 hundred's for Highfield, two have come on the last games of the season, both as captain, helping Highfield secure promotion to the Premier League. In 2009, he scored a fabulous 141 against St Helens in the final game of the season to help secure the win and promotion to the Premier League for the very first time in the club's history. And then for a second time in 2014, scoring 107 away against Colwyn Bay on the last day of that season, as Highfield returned to the top flight in another nail biter. Mike also spent four

seasons playing for a powerful Bootle team between 2016-2019 where he enjoyed a Premier League win and cup success in the Ray Digman and Liverpool Echo trophy, before returning to Billinge Road in 2020. As captain Mike helped secure the first teams first silverware for decades as they lifted the Ray Tyler in 2023, repeating the success last season. Reflecting his popularity amongst his teammates and of course his playing ability, Mike has won the coveted Players Player of the Year award on four occasions. Mike was deservedly awarded Honorary Life Membership of the club in 2015.

Finally, this month, we are just letting you know that Highfield Cricket Club is now registered with easy fundraising, which means you can raise FREE donations for us every time you shop online. Over 8,000 retailers will donate to us when you use easy fundraising to shop with them - at no extra cost to yourself!

These donations really mount up and make a BIG difference to us, so we'd really appreciate it if you could take a moment to sign up and support us. It's completely FREE and only takes a moment.

## ST JAMES LADIES FRIENDSHIP GROUP

Gary Humphry was our guest at the March meeting, and what a lovely man!

He spoke about his life before he came to Wigan with Rev Fran, and his journey to faith. Fran accompanied him, and I hope they don't mind me saying, the love they share just shone out.

Unfortunately, Fran isn't well at the moment, and we all wish her well and a speedy recovery.

This month's meeting (April) we are crafting something for Easter.

Jean Hogan is going to help us do a spring flower table decoration. I know everyone will enjoy this after the success of the ones we did at Christmas. We are also having a raffle, to be organised by Pat and Dorothy. Thank you, ladies!

Lorraine will sadly be missing on this day, but she is excused as she has a milestone birthday and will be celebrating with her family.

Birthday wishes too to Jean Currey who has a birthday on the 18<sup>th</sup>.

The next meeting is 15 May, and we have Dave Whitter from St Matthew's kindly giving his time to speak to us. He writes in the magazine about their own Friendship Group, although I have left the subject of his talk up to him.

welcome, male or female.  
Hopefully see you there.

# Winstanley Art Group comes to St. Matthew's

I began painting a long time ago. I always loved to draw and paint and so it was wonderful to win a prize at school when my teacher entered my painting of the seaside into a competition aged 10! I was well and truly hooked. At secondary school I excelled in art both drawing, painting, photography, and screen printing. When I went to college, I did a foundation type course in my first year but then had to decide if I would be able to get a job in the teaching profession in Art or RE. There was a shortage of RE teachers, so I opted for that. I had to start earning asap. Needless to say, all my classrooms were very colourful with lots of art in religion and children's work too! Very noticeable in large comprehensive schools!

I had a family, and I always encouraged creativity in both of my children, but I didn't really do much myself until I retired in 2011. Then the floodgates opened. I learned a variety of techniques from the U3A group I attended for a while. Particularly from Bill Ingham who was patient and willing to help. I'll always be grateful to him for his guidance. Then I joined a lovely art group on a Tuesday evening 7-9pm in Winstanley and have been with them ever since.

Now every Tuesday at 12.30pm to 2.30pm at St Matthews you're welcome to come along and paint with us. If you haven't painted before never fear, we'll give you a helping hand. As a novice I'll do a little exercise with you making a card with a complete painting of a flower inside. I show you some tricks of the trade and explain what happens with the paper and the water. Simple!

All the artwork on display has been painted by members of the Winstanley Art group. We're very keen to learn and we bring our own ideas and compositions to the table. All in all, we do very well. We're very welcoming and keen to learn. They also offer excellent support and encouragement with plenty of heart-warming banter. Look at some of the excellent work they have done.

If you want to give it a try, come along to our first meeting in the church. We start on Tuesday 8<sup>th</sup> of April at 12.30 to 2.30pm. there's a drink, a chat, and a new skill to learn. If you're interested, then give me a call on 01942228433 or email me at [gloriadgreen@hotmail.com](mailto:gloriadgreen@hotmail.com). I look forward to seeing you.

Flight  
Hiding  
Triumph  
Christology  
Alexandria  
Christology

This year is the 1700 anniversary of the Nicene Creed. Athanasius is the theologian behind that creed, and his feast day falls on 2 May.

# Word Search

Athanasius (296-373) was born into a prosperous family in Alexandria in Egypt, and entered the ministry. He was 29 years old when he accompanied Alexander, the bishop of Alexandria, to the Church's first great ecumenical Council, at Nicaea in 325. There he saw the Council debate the Person of Christ. How was He the Son of God and also Man? Did He really exist before He was born? If we worship Him, does that mean that we are worshipping two Gods?

When the heresy of Arius, which taught that Christ was not divine, and not eternal, later threatened the church, Athanasius worked with his bishop, Alexander, in framing what became known as the Nicene Creed. Our Lord's full divinity was safeguarded in the words, 'eternally begotten of the Father, God from God, light from light, true God from true God, begotten, not made, of one substance with the Father.'

For the next 45 years Athanasius' devotion, scholarship, and forceful leadership established the Nicene Creed in the Christian Church. His enemies, both in Church and state, conspired against him, and he was exiled five times from the See of Alexandria and spent a total of 17 years in flight and hiding.

Athanasius' name will always be linked with the triumph of New Testament Christology over every form of reductionism (lessening of the Person of Christ).

**The Parish of Wigan West** is the Church of England in the West of Wigan—covering Worsley Mesnes, Poolstock, Goose Green, Hawkley Hall, Winstanley, and Highfield—the former parishes of St James with St Thomas, St Paul’s, and St Matthew’s.

We are made up of different worship communities with many different styles and settings used for worshipping God, including our own buildings of St James with St Thomas (where *Tom’s Pantry* is), St Paul’s and its hall, and St Matthew’s and its hall.

Have a look at our Facebook page for details of everything from online coffee and chat to traditional services, as well as the latest news.

# Wardens Corner

Hello again, by the time you read this Easter will be over and we'll be enjoying long days, hopefully of sunshine. We'll also be getting ready for our Annual Parochial Church Meeting (APCM) which usually causes groans when it is announced as it sounds dry and boring. There are some routine administrative tasks which have to be done but the most important part of it is that we can look back on 2024 and celebrate what has happened and look forward to the next 12 months and work out how we can build on it.

Over the last few months Martin and I have been encouraging people to come forward and take an active role in the many activities going on in our parish.

We currently need help with :-

Audio visuals for our church services,

Musicians and singers

Secretarial work to help with the smooth running of parish affairs, to keep lines of communication open.

Running the community cafés

Helping with refreshments at events taking place in our church buildings

Routine cleaning and simple maintenance

We're living in a period of great change all around us, which can be scary, but also can be exciting and refreshing.

We've made a great start in Wigan West and we want to keep going and continue to be able to welcome more and more people to meet
