**Dear Parents and Carers,**

I am writing to introduce myself as the new Head Teacher of St Paul's CE Primary. It is an absolute privilege to take on this role and to serve such a wonderful school community. I bring with me nine years of experience as a successful Head Teacher, and I am excited to use that experience to build on the strong foundations already in place at St Paul's. My vision for our school is rooted in Christian values, which I believe are central to nurturing the character, wellbeing, and aspirations of every child in our care.

I firmly believe that education is most effective when it is a partnership between school and home. Strong relationships with parents and carers are essential to ensuring that every child receives the best possible opportunities to thrive and enable us to place children at the centre of all we do. We are blessed with a dedicated and professional team here at St Paul's, and together we will work tirelessly to strengthen relationships, celebrate achievements, and continue to grow as a community. I look forward to meeting you all and working alongside you to ensure that St Paul's remains a place where every child feels valued, supported, and inspired to reach their full potential.

Thank you for your continued support for both the school and myself. Please do not hesitate to get in touch if you would like to speak with me—I am always happy to listen and look forward to working with you and your children.

Kind Regards,

  
Karen Mowbray  
Head Teacher
