2nd March , 2026

Dear Parents and Carers,

Ref: Enhancements to reception and year 1 outdoor provision

We are delighted to share that, over the coming weeks, we will be updating and enhancing our outdoor provision for our Reception and Year 1 children.

As part of these improvements, we will be reconfiguring the school playground, including moving the existing fencing to create a larger, dedicated space that aligns with the Early Years Framework. This will allow us to introduce enhanced outdoor resources and high-quality learning opportunities for our younger pupils. This is scheduled to start Thursday 5th March , 2026.

These changes will mean that children and parents will have a new route to walk around the newly fenced area during the school day. Entrance to school is still through the main gates but result in a smaller area to walk around the new provision. In addition, the current football area used at break and lunchtime will be relocated to another section of the playground. We hope that, once the weather improves and the field surface dries, the children will also be able to make regular use of the field area again.

To support this, we are also pleased to let you know that we are purchasing new football posts and nets for the children to enjoy during their playtimes and sporting activities.

We are excited about the positive impact these developments will have on the children's daily experiences and will keep you updated as the project progresses.

Thank you for your continued support.
Kind Regards

Mrs K Mowbray
