Dear Parents and Carers,

Ref: England and attendance at St Paul's

I understand that many children will be eager to watch England play this Sunday, and that this may lead to a difficult decision for families about balancing the excitement of the match with the importance of school on Monday.

To support you and the children, we will be showing a **replay of the match in mixed-age groups on Monday morning**. This will allow everyone to enjoy the game together, regardless of whether they watched it live. **Please help us keep the experience fun by not sharing the score with the children before the replay.**

This will hopefully help support the decisions you may make regarding this.

We will also be keeping our register open until **10:30am** on Monday to give families a little extra flexibility. However, we kindly ask that children still aim to get a good night's sleep and attend school as usual, so they can start the week feeling ready to learn.

Thank you for your support and understanding.

Kind Regards

Mrs K Mowbray
